September 6, 2017

**WHEREAS**, the enslavement of the then Africans was one of the causes of the Civil War, which divided our country over 150 years ago;

**WHEREAS**, the Confederacy lost its war against the United States and the "negro" slave was then freed from slavery, transferring names from "negro" to "colored";

**WHEREAS**, "colored" individuals continued to face discriminatory laws, legal practices, and unpunished violence specifically aimed at preventing them from achieving equality from Reconstruction through the Jim Crow Era;

**WHEREAS**, even after the economic, social, and legal gains made by the Civil Rights Movement, those now referred to as "blacks" were still denied equality by a society that discriminated against them even when hard-won laws call for equal treatment;

**WHEREAS**, through the progression of history, those African descendants who were formerly known as "negro" slaves, then "coloreds," and then "blacks" are now referred to as African Americans;

**WHEREAS**, in spite of every obstacle placed in their path, the African-American community has always persisted and has in the most fundamental way prevailed;

**WHEREAS**, now, we are faced with the decision of keeping, removing, or replacing public monuments, images, and symbols, as well as names of public places, including parks, and streets that may be continuous reminders of the Civil War;

**WHEREAS**, Confederate monuments, along with public places, including parks, and streets that are named for prominent Confederates may continue to be symbols of our country's division, and may create racial barriers in our city;

**WHEREAS**, these Confederate monuments, symbols, images, and public places, including parks, and streets named for Confederate figures may distort the violent and oppressive history of the Confederacy and may preserve the principles of white supremacy;

**WHEREAS**, for many years, leaders of diverse backgrounds have consistently called for the removal of Confederate monuments and symbols from public property;

**WHEREAS**, the city of Dallas strives to be a welcoming and inclusive city for all its residents and visitors, regardless of their cultural or ethnic backgrounds; and

Resolution - Page 1

DEFS' APPX 11

**WHEREAS**, it is time for a robust public discussion of the history of the Confederate monuments and commemorations, and the city of Dallas' policy regarding the standards for public commemoration of persons, places, and historical events.

Now, Therefore, **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:**

**Section 1.** That the display of public Confederate monuments glorifying Confederate causes does not promote a welcoming and inclusive community That the display of public Confederate monuments and the names of public places, including parks, and streets named for Confederate figures do not promote a welcoming and inclusive city and, thus, are against the public policy of the city of Dallas.

**Section 2.** That, to accomplish the removal of these public Confederate monuments and symbols and the renaming of public places, including parks, and streets, the city council supports the Mayor's Task Force on Confederate Monuments ("Task Force"), which is made up of a diverse group of city leaders who will provide recommendations to the city council:

a. regarding the costs associated with removal and relocation of public Confederate monuments and symbols and with the renaming of public places, including parks, and streets along with available options for private funding;

b. regarding the process of disposal or relocation of Confederate monuments and symbols if deemed necessary;

c. suggesting additional standards for the naming of public places, including parks, and streets going forward if deemed necessary;

d. suggesting replacements for Confederate monuments and symbols recommended for removal to promote a more welcoming and inclusive Dallas if deemed necessary; and

e. suggesting replacement names for public places, including parks, and streets that also promote a more welcoming and inclusive Dallas if deemed necessary.

**Section 3.** That the Task Force shall convene at least two public meetings to receive public input and shall work with, and make recommendations to, the Cultural Affairs Commission by October 12, 2017.

**Section 4.** That the Cultural Affairs Commission shall make a final presentation to city council on November 1, 2017, reporting its findings and making its recommendations.

**Section 5.** That the city council may take any further action, as needed, including authorizing the renaming of certain public places, including parks, and streets, on November 8, 2017, and directing city staff to take any and all appropriate actions to

implement the city's policy in accordance with the Charter, City Code, and other rules, regulation, and policies as well as all applicable state and federal law.

**Section 6.** That the city manager shall immediately remove the Alexander Phimster Proctor monument (of Robert E. Lee) at Lee Park and store it at a safe location until the conclusion of the recommendations of the Task Force as this monument is not a designated city landmark.

**Section 7.** That the city manager is hereby authorized to transfer funds or appropriate funds from excess revenue, as necessary, to remove the Alexander Phimster Proctor monument of Robert E. Lee at Lee Park ~~all public Confederate monuments. The city manager will take all appropriate actions to seek private funding to reimburse the expenses associated with this action.~~

**Section 8.** That, consistent with City Council Rules of Procedure, Rule 6.2(b), the Mayor shall not place any item on the agenda that has been voted on by the city council within the one-year period preceding the date requested for placement of the item on the agenda.

**Section 9.** That this resolution shall take effect on September 6, 2017, and it is accordingly so resolved.

**GENERAL QUESTIONS:**

**Does city staff receive anti-racist training and/or racial equity training?**

HR offers diversity, ethics, workplace discrimination and workplace violence training. All City of Dallas employees receive diversity and ethics training as part of our new employee orientation. Discrimination, workplace violence and workplace harassment trainings are part of supervisor development training and are also offered on demand.

The Dallas Police Department training is as follows:

Recruit officers receive the following in the Academy:

- Professionalism and Ethics – 8 hours
- Multiculturalism and Human Relations Courses covering topics regarding the African-American Community, Asian Community, Hispanic Community, Native American Community, GLBT Community, and Hearing/Visually/Mobility Impaired – 19 hours
- Racial Profiling – 4 hours
- Penal Code – to include hate crimes / racial profiling
- General Order / Code of Conduct – training regarding treatment of the citizens we serve

In-service officers received the following training during our last Core training cycle:

- Procedural Justice & Police Legitimacy – 8 hours
  - 8 hour block of instruction based upon the process by which the police and community groups interact with each other. The procedural justice perspective argues that the legitimacy of the police is linked to public judgement about fairness of the processes through which the police make decisions and exercise authority. It is a procedural justice based approach to police allowing the police to focus on controlling crime without alienating the public.
- Personal Perspectives
  - 2 hour block of instruction that provides information that enables officers to recognize their own personal bias and perspectives. This allows officer's effectiveness to create a safer environment for citizens and the officer.

In the next Core cycle to start in October, 2017 we will include:

- Ethics training as required by Ordinance amending Ch12A
- Section 1701.253, Occupations Code training regarding Senate Bill 30 – creating additional requirements for law enforcement training regarding the role of law enforcement and duties of a police officer during traffic stops, proper behavior for police officers during interactions, laws regarding questioning and detention by police officers, etc.

We do not offer a topic titled "anti-racist training" and/or "racial equity training".

**Do appointed board members receive anti-racist and/or racial equity training?**

No.

**What is the current ethnic and racial composition of the city of Dallas?**

<b>Citywide</b>	<b>Ethnicity</b>	<b>Count</b>	<b>%</b>
	African American	4251	33.75%
	American Indian	101	0.80%
	Asian	376	2.99%
	Causian	4421	35.10%
	Hispanic	3326	26.41%
	Other	120	0.95%
	<b>Grand Total</b>	<b>12595</b>	<b>100.00%</b>

**Please provide a briefing on the Daughters of the Confederacy and the Lost Cause movement.**

A briefing on the historical context of the Dallas monuments will be presented.

**Please provide details of all forms of segregation in policy and practice for the City of Dallas. (Specifically in the 1930's)**

The briefing mentioned above will delve into our city's history from this period, although it likely will not provide "details on all forms of segregation in policy and practice for the City of Dallas" due to the vast nature of this request and the limited time available to this Task Force work.

**What input did people of color, specifically Black people have in the naming of the streets associated with the confederacy, naming of Lee park and the erection of the monuments?**

It is safe to say that the input from Black citizens was minimal to non-existent due to the disenfranchisement and segregation that predominated our City when these monuments were erected and Lee Park was named.

***As all of the recommendations we will provide have financial implications, please provide detailed budgets for each department impacted by possible recommendations from this Task Force as well as rules governing private donations.***

We will develop estimated costs once we have guidance from the Task Force as to the areas of recommendations and which options are being considered. This is clearly in the scope of the work and something staff has already done for the Lee Statue vote on September 6<sup>th</sup>.

With respect to private donations, those are governed by City of Dallas Administrative Directive 2-13 which can be found in ATTACHMENT A.

**STREETS:**

**How many streets have been named for abolitionist and/or the formally enslaved?**

- + Wheatley Place is named for an enslaved African poet, Phillis Wheatley.
- + Bonton Street is named for the former freedman's community – now neighborhood, Bon Ton.

**Are there any streets named to commemorate emancipation and or Juneteenth?**

- + We have not been able to identify any.

**Which streets are considered historic street names?**

An historic street name commemorates:

- A person who significantly contributed to the cultural, economic, social, religious, or political heritage of the city
- A site or area where there occurred historic events which significantly contributed to the cultural, economic, social, religious, or political heritage of the city
- A person or family founding or traditionally associated with the area where the street is located

If the street name meets one of the criteria above, the street is deemed an historic street.

An historic street requires three-fourths vote of City Council to rename.

**Do we have any written policies around ethical standards for street names?**

The guidelines for street names are:

- A street name may be based upon physical, political, or historic features of an area.
- The name of a subdivision and names thematically related to the name of a subdivision may be given to a street within the subdivision.

Other rules regarding street name changes relate to similarity to an existing street, configuration of the roadway, the length of the name of the street.

**On average, how many streets are renamed in Dallas annually?**

- City Council approved 47 street name changes in the past 20 years.
- On average, two street name changes per year.

**How expensive was it to name Central Expressway and George Bush Expressway? Or is it just another name for Central Expressway?**

The "George W. Bush Expressway" moniker for Central Expressway was implemented by TxDOT and is ceremonial in nature. The official name, as far as the City is concerned, remains "North Central Expressway".

**Street Naming: Please provide further clarity on Jefferson and Davis. Stonewall St and Junius and Peak are not on the list, please explain why and/or add them to the list to be discussed.**

Please see the updated list of streets that have been researched as part of this ongoing effort to document any Confederate ties.

**PARKS:**

**Question: What is the process for changing the plaques and narrative associated with artwork in Fair Park?**

Any new signage at Fair Park would need a Certificate of Appropriateness approved by the Landmark Commission and approval from the Park and Recreation Board.

**Are there Confederates buried at Pleasant Mount Cemetery?**

The Park and Recreation Department does not have any records on whether individuals buried at the Pleasant Mound Cemetery served in the Confederate Army. Records in the file indicate that there are 741 bodies interred in this cemetery.

**What is the green space next to Confederate Cemetery?**

The park adjacent to Confederate Cemetery is considered part of Opportunity Park. An aerial map of both Opportunity Park and Confederate Cemetery are enclosed with these responses [ATTACHMENT C].

**What documentation is available regarding the naming of Lee Park?**

A timeline of the actions taken by the Park and Recreation Board and City Council is enclosed with these responses [ATTACHMENT D].

**What documentation is available regarding the City's ownership of Confederate Cemetery?**

Staff researched the records of the Park and Recreation Department. In 1901, J. A. Crawford and his wife Mattie sold six acres adjacent to Oakland Cemetery to Dallas County. In 1907, the Dallas County Commissioners Court set aside .75 acres of the tract for the burial of ex-Confederate soldiers "under the direction and the control of Sterling Price Camp [United Confederate Veterans] No. 31." In 1936 the Sterling Price Camp wrote to the Park and Recreation Department giving the cemetery to the Park and Recreation Department to operate and maintain. While there is mention in the board minutes of the Confederate Cemetery being given to the Park and Recreation Department on November 17, 1936, there is no official board action accepting this cemetery. Staff has reached out to Dallas County to determine if the county has any records pertaining to the transfer of the Confederate Cemetery to the Park and Recreation Department. Attached to this document is the 1907 deed [ATTACHMENT E].

**Please provide the Department's O&M cost for Lee Park. Please also identify the responsibilities of the Park and Recreation Department and the Lee Park/Arlington Hall Conservancy.**

In FY15-16 the Park and Recreation Department's O&M costs for Lee Park was \$36,674.

The Lee Park/Arlington Hall Conservancy performs the following at Lee Park:

- Manages and maintains Arlington Hall
- Maintains developed portions of the park to the west and north of Arlington Hall
- Manages reservations and events at Lee Park and Arlington Hall
- Performs enhance maintenance on horticulture beds at Lee Park

The Park and Recreation Department:

- Mows open lawn areas and performs litter pick up
- Performs Turtle Creek clean up and maintenance
- Maintains the historic quoit courts
- Performs forestry work at Lee Park

A map of Lee Park is included with these responses [ATTACHMENT F].

***What rules govern structural changes to Arlington Hall?***

Since 1998, Arlington Hall has been managed by the Lee Park/Arlington Hall Conservancy per agreement with the Park and Recreation Board. Any structural changes to Arlington Hall would be require approval from the Park and Recreation Board.

***LANDMARKS:***

***If monuments were removed, will Fair Park lose its historic status?***

More than likely not. Even though the Confederate statue along the Esplanade and other allegorical representations in the Hall of State are part of a larger narrative and context, the removal or changes to just those particular items wouldn't necessitate the removal of the Local, SAL, or National Historic Landmark status.

***What would be the economic impact if it were to lose that status?***

The historic status of Fair Park is a main selling point in promotional materials and source of pride for the City of Dallas, so any loss of historic status would certainly affect that prestige factor. Loss of National Landmark status could possibly impact the ability to apply for grants for maintenance, etc. since that status is sometimes required.

***Clarification on Timing for Landmark Commission:***

To clarify when a Certificate for Appropriateness or a Certificate for Demolition or Removal could be applied, since the Council will give the final direction and recommendations, OCA would apply after Council has given that final direction and recommendations. If Council is expected to make those on November 8th, then the next submittal date would be NOON, Thursday, December 7th for the January 8th Landmark Commission meeting.

**PUBLIC ART:**

**Which states have laws prohibiting the removal of Confederate Art?**

Alabama	Monument Preservation Law
Georgia	Monument Preservation Law
Louisiana	Louisiana Military Memorial Conservation Act, the bill bars all structures, plaques, statues or monuments that mark certain US wars, including the Civil War, from being altered or removed. It allows local governments to take down a memorial only if voters approve the action at "an election held for that purpose." The bill also allows for the state to take action to protect, preserve or repair a memorial.
Mississippi	State law prohibiting removal or alterations of statues or memorials honoring military including civil war
North Carolina	State law passed two years ago barring governments from removing any "object of remembrance" on public property.
South Carolina	Heritage Act: 2/3 vote in legislature to remove
Tennessee	State historical commission control and State Heritage Act
Virginia	In Virginia, where a lawsuit is proceeding over the Charlottesville City Council's proposal to remove the Robert E. Lee statue, a state law bans cities that attempt to "disturb or interfere" with historic monuments and memorials.

**When was the last piece of public art for the City of Dallas commissioned?**

The Public Art commissioning process is on-going and there are currently 30 projects in various stages from development, community input, artist selection through fabrication and installation.

**How many works of art have been donated by African Americans?**

Freedman's Memorial, Martin Luther King Jr. sculpture, Murals at the Martin Luther King library. No works were commissioned by African Americans prior to 1990.

**Who funded Fair Park?** The State of Texas and the federal government. See  
<https://tshaonline.org/handbook/online/articles/gqf03>

***What role did African Americans play in the selection of art at the Hall of Negro Life at Fair Park?***

The Hall of Negro Life was funded by the federal government at the urging of the Dallas Negro Chamber of Commerce and other black groups. The Negro Advisory Committee, chaired by Eugene K. Jones who planned the exhibition and Jesse O. Thomas of the National Urban League. Other involved included Antonio Maceo Smith, leader of the Dallas Negro Chamber of Commerce; Willette Rutherford Banks, Samuel Walker Houston, and A.E. Holland.

<https://tshaonline.org/handbook/online/articles/pkh01> see also: <http://hallofnegrolife.org/>

Hall of Negro Life was lead by high profile members of the Dallas African American Community and the work was not only notable, but highly prominent in its time and by current evaluation.

The works by Aaron Douglas stand as high points in the Harlem Renaissance and the other artists are also of art historical note. Two of the murals by Aaron Douglas are in prominent American Art Museums.

The federally-funded Hall of Negro Life was dedicated Juneteenth, 1944 at Fair Park.

***What is the process for contextualizing the works containing Confederate imagery?***

The Park and Recreation Department will develop specifications for new signage and will issue a request for proposals to vendors for wayfinding and information signage

***Who has to approve changes at Fair Park?***

# Administrative Directive 2-13

## SUBJECT: GIFT AND TRUST ADMINISTRATION

### 1. POLICY

Gifts of money, artifacts, tangible assets, and real estate will be administratively managed in accordance with this Directive. All donations received by the City will be managed in conformance with the City's budget and accounting systems.

### 2. PURPOSE

To establish policies and procedures for the acceptance and proper investment and accounting of gifts and trusts by City departments.

### 3. SCOPE

This directive applies to all City departments. It does not apply to the Employees Retirement Fund and the Police and Fire Pension Fund.

### 4. DEFINITIONS

- 4.1 Endowment. See Nonexpendable Trust.
- 4.2 Expendable Trust. A trust in which all money (principal and interest) is spent in the course of the designated operation.
- 4.3 Nonexpendable Trust. Funds whose principal must be preserved intact. (Interest and dividend earnings are appropriated and spent for the intended purpose.)

### 5. RESPONSIBILITIES

- 5.1 Budget and Management Services is responsible for:

Establishing appropriations based on estimated revenues and ORG numbers for trust funds and maintaining centralized files of all trust documents and this directive.

- 5.2 Finance is responsible for:

Providing investment assistance to maximize the earnings on trust funds, counseling with departments regarding most advantageous methods for establishing new trust fund management, and providing support for the disposition of donated stocks and bonds.

# Administrative Directive 2-13

---

## SUBJECT: GIFT AND TRUST ADMINISTRATION

---

Assigning fund numbers, recording accounting transactions and reporting on trust activities in conformance with Governmental Auditing Accounting and Financial Reporting (GAAFR) requirements.

**SUBJECT: Gift and Trust Administration****AD 2-13**

Receiving and disposing of tangible assets, such as stocks and bonds. Entering donated artifacts and their fixed assets on the fixed asset inventory and assigning departmental responsibility.

**5.3 Property Management is responsible for:**

Processing all gifts of real estate for all departments, conferring with the City Attorney as needed regarding real estate donations, and notifying the Finance Department/Controller so that appropriate accounting for taxes may be made.

**5.4 Departments (recipients of gifts) are responsible for:**

Accepting for gifts, preparing budgets for submission to Budget and Management Services, securing trust documents, expending in compliance with the terms of the trust fund provisions and requirements, and coordinating with Finance and Property Management, as required.

**6. PROCEDURES**

**6.1 Expendable Trusts**

6.1.1 Each department receiving miscellaneous monetary gifts shall establish a general gift fund through the Department of Finance. Generally, gifts of less than \$10,000 will be placed in the general gift fund.

Gifts over \$10,000 may also be placed in a general gift fund if no departmental need exists to separately manage such gifts. Only when necessary will a separate fund be established for large gifts. ORG numbers may be established if needed, to budget and account for separate activities.

6.1.2 To the extent possible, departments shall estimate gift revenues and request appropriations of gifts as part of the annual budget process. No additional action by the City Council is required for departments to accept gifts. An exception requiring City Council approval is gifts establishing contractual or large purchase obligations. A second exception would be actions of the Park Board required under Chapter 17, Section 4 of the City Charter.

6.1.3 For gifts in excess of the appropriation, the expenditure of such gifts can be deferred under the next year, or an appropriation adjustment can be made for expenditure in the current year.

6.1.4 At any time, the recipient department may only expend to the amount of the cash balance in any trust fund.

6.1.5 Gift revenues will not be used to reduce operating budgets for the services for which the gift was given or for related services except as specified by the donor.

**SUBJECT: Gift and Trust Administration**

**AD 2-13**

- 6.1.6 The expenditure of appropriated gift revenues should comply with regular City procurement and contracting procedures.
- 6.1.7 At the department's discretion and for purposes of public recognition, the City Council may be asked to accept any gift. However, there is no requirement that Council approve acceptance of gifts and donations, as long as a contractual relationship is not created. An exception should be Park Board actions subject to Chapter 17, Section 4 of the City Charter.
- 6.1.8 Expendable trusts should be set up as City funds to ease transference of money to expenditure accounts and to insure having funds to cover encumbrances for large construction projects.
- 6.1.9 To fully disclose responsibilities, liabilities, and continuing maintenance costs, gifts which may create a burden to the City should be approved in advance by the City Attorney and appropriate City management. Council approval will be required where a donation results in the need for expenditure of other City funds or where some contractual obligation is incurred by the City.

**6.2 Endowments**

- 6.2.1 Departments wishing to establish an endowment will consult with the Finance Department which will provide guidance on the type of investments available and the most appropriate type of investment for any particular trust fund.

The Finance Department can assist in inclusion in suggesting appropriate investment guidelines for the trust document. Proper instruction to the trustee regarding types of investments and income needs of the trust can maximize benefits to the City.

- 6.2.2 Endowments can be established with the City as trustee or with an outside trustee. In any case, the City must account for the trust in its annual financial statement.

**6.3 Other Gifts**

- 6.3.1 Upon receipt of tangible assets such as stocks and bonds, the receiving department shall immediately contact the Finance Department to properly accept such assets and liquidate, as appropriate.
- 6.3.2 Artifacts and other fixed assets are frequently donated to the City and need to be properly managed and accounted for. For all gifts with an assumed value in excess of \$100.00, the receiving department or official will contact the Finance Department which will place the artifact or fixed asset on the fixed asset inventory and will assign departmental responsibility.

**SUBJECT:** Gift and Trust Administration

AD 2-13

for custody and maintenance of the item. If the item is presented to the City Council, the City Secretary shall notify the Finance Department.

- 6.3.3 Gifts of services only, which do not result in financial or fixed asset transactions with the City, need not be accounted for under this directive.
  - 6.3.4 All gifts of real estate, without exception, will be processed through Property Management so that accurate records are kept of the ownership. Property Management will check the surveys and field notes and will examine all deeds, liens, and other title records in consultation with the City Attorney and will file all County recordings. Property Management will be responsible for notifying the Department of Finance so that appropriate accounting may be made.
  - 6.3.5 Where donor anonymity is necessary, an appropriate method for acceptance of the gift is through a nonprofit organization associated with the particular City service. The nonprofit organization can then donate the funds to the City, thus protecting donor anonymity.
  - 6.3.6 Original Trust Agreement documents will be maintained in the recipient department, and a copy will be provided to Budget and Management Services which will maintain the complete City file.

BEFORE ME, the undersigned authority, on this day personally appeared Lisa Penney, who, being by me first duly sworn, deposed and stated as follows:

"My name is Lisa Penney. I am over 21 years of age and have never been convicted of any felony or crime involving dishonesty or moral turpitude. I am an employee of the City of Dallas City Attorney's Office and I have been employed by the City Attorney's office since February 6, 2002. I have personal knowledge of all the facts stated herein and they are true and correct.

I reviewed "Plaintiffs' Second Amended Complaint, Application for Injunctive Relief, & Motion for Declaratory Judgment" filed as ECF Number 10 in the lawsuit styled and numbered *Patterson et al. v. Rawlings, et al.*, Civil Action Number 3: 17-CV-02361-D pending in the United States Federal District Court for the Northern District of Texas. In the pleading are references to websites and internet addresses. I visited those internet sites on September 22, 2017. Attached as Exhibits 1 to 5 are true and correct copies of documents located on those websites and appear to be the documents referenced in the above-referenced pleading. I also visited the Texas Secretary of State website. I inquired about the name Sterling Price Camp 31. Attached as Exhibit 6 is a true and correct copy of the results of the inquiry. THE STATE OF TEXAS  
COUNTY OF DALLAS

BEFORE ME, the undersigned authority, a notary public in and for the State of Texas, on this day appeared Jennifer Scripps, who is personally known to me, and who, after being duly sworn according to law, upon oath deposed and said:

"My name is Jennifer Scripps. I am the Director of the Office of Cultural Affairs ("OCA") for the City of Dallas and have been employed by the City since May 25, 2016. I am competent to testify, I have personal knowledge of the matters stated herein, and they are true and correct.

As part of my duties and responsibilities, I am aware that the City of Dallas owns and has on its properties various statutes, monuments, or memorials of Confederate symbols and leaders. After the violence in Charlottesville, Virginia, on August 24, 2017 the Mayor of the City Dallas created and appointed a task force to consider whether to remove symbols of the Confederacy on City property and to rename streets and other public places named for Confederate figures. Attached as Exhibit 1 is a true and correct copy of the web-page concerning the Task Force that appears on OCA's public website. It is updated with information regarding the Task Force's meeting. Attached as Exhibit 2 is the Mayor's memorandum appointing the members of the Task Force. On September 1, 2017, the agenda for the September 6, 2017 City Council was posted and a true and correct copy as attached as Exhibit 3. At the September 6, 2017 meeting, City Council approved a resolution with a vote of 13 to 1, with one member not participating. A true and correct of the Resolution is attached as Exhibit 4. On the OCA's web-page, the Task Force has published information and responded to questions. Attached as Exhibit 5 is a true and correct copy of the questions and responses dated September 6, 2017.

The City of Dallas is the owner of the land property known as Lee Park. Located within the Lee Park was a statue depicting Robert E. Lee and an unnamed individual on horseback that was mounted to a pedestal. The sculptor of the statue was Alexander Phimister Proctor. The City owns the statue and base on which it sits. Included within the September 6, 2017 Resolution was a directive that the City Manager remove the Lee statue and store it in a safe place until City Council determines what is an appropriate disposition. On September 14, 2017, the City caused the safe removal of the Lee statue and it is currently safely in storage.

Prior to and after the passage of the Resolution, I have had communications with the Proctor Foundation representative which include heirs of Alexander Phimister Proctor. Attached as Exhibit A is a true and correct copy of an email exchange I had with representatives of the Proctor Foundation, including Ms. Laura Ames.

Attached as Exhibit B is a true and correct copy of a report regarding the condition of the statue after removal from Lee Park and transporting to storage.

Jennifer,

I just left you a phone message, and am following up to inform you the Proctor Foundation is not involved with any legal complaint against the City of Dallas. We have just become aware that we were included in a complaint, without our approval, and are not in any way connected to the attorney who prepared it, or the organization filing the complaint. We have communicated this with the attorney who prepared the complaint, and he acknowledged we were included without our approval and agreed to remove us immediately.

Furthermore, I've made it clear that you have been completely responsive to me and answered my call immediately, both times I reached out to you. We look forward to further conversations with you and the City of Dallas.

Sandy –

Thank you for your email. I was notified at the end of yesterday that The Proctor Foundation is now involved in a legal complaint with the City of Dallas. I have also been very responsive to Ms. Ames and have spoken with her twice and left our last conversation saying that I wanted to continue our conversation.

However, I am sure you can understand that given the present legal issues, this is no longer possible.

Hello Ms Scripps,

I would like to discuss the Copy Rights on the Robert E Lee monumental statue created by my Grandfather Alexander Phimister Proctor. My daughter Laura and I have had trouble contacting you and I realize you may be having some challenges after the hurricane.

As you know this is an urgent issue that needs to be handled before any other damage is done to the statue.

I will call you and hope to get in-touch by phone or email.

This is to confirm that I have inspected the bronze after its removal from Lee Park after being transported to Hensley Field. This was done post transportation and after removal from the transport trailer.

I observed no visible damage occurred in the process of removal or transporting the bronze. I have additional photo documentation on file to verify this.

As the bronze has not had a cleaning for some considerable time I would recommend a cleaning and wax treatment to prevent further deterioration of the surface while in storage.

THE STATE OF TEXAS

COUNTY OF DALLAS

BEFORE ME, the undersigned authority, a notary public in and for the State of Texas, on this day appeared David Dixon, who is personally known to me, and who, after being duly sworn according to law, upon oath deposed and said:

“My name is David Dixon. I am an employee of the City of Dallas Park and Recreation Department and have been employed by the City since March 28, 2007. I am competent to testify, I have personal knowledge of the matters stated herein, and they are true and correct. I am currently a compliance manager and part of my duties include managing, supervising, inspecting, and monitoring the performance of contractors who have contracts with the City of Dallas. The City has entered into contracts for mowing and for ground maintenance of various parks and other properties owned by the City of Dallas. In addition to the contracted work, City forces also work at the City owned properties. The City employees will perform tree trimming, provide extra grounds maintenance after severe storms, and other work not encompassed within the contracts with the contractors. This includes fence repair, construction, inspections, installation of concrete pads, benches or tables, litter barrels, signage installation, and bollard installation.

The property known as the Confederate Cemetery has been under contract for grounds maintenance and litter maintenance since at least 2011. I did not research the maintenance history before that date.

The cemetery has an average 14-day mowing cycle between March 15th and November 15th which is considered our primary mowing season with litter scheduled to be picked up by a

**DAVID DIXON'S AFFIDAVIT**

contractor at least twice per week annually. The mowing operations generally stop around the middle of November and do not resume until the middle of April and the litter maintenance is year-round with a reduced schedule during December thru February. Through its contractors the City has been providing routine and scheduled maintenance to the cemetery since at least 2011. For the last several years and currently, Good Earth, Inc. has been providing the lawn services related to the Confederate Cemetery. Currently, T. Smith Lawn Service is performing the litter removal. In addition, City employees have performed maintenance and related work at the cemetery. Attached as Exhibit A is a true and correct copy of completed work order cost and charge listing since October 2014 to August 2017 that reflects the work performed and the costs incurred related to maintaining the grounds of the Confederate Cemetery. The listing includes work performed by Good Earth, Inc.; T. Smith Lawn Services; and City employees at the Confederate Cemetery. The contractors' time is always listed in the system as 0 hours but their total cost for the work is entered as a lump sum at the end of each month. The City has not abandoned the Confederate Cemetery and the City has maintained and is currently maintaining the property.

I have never received a request by the Texas Division, Sons of the Confederate Veterans, Inc. ("TDSCV") to perform any maintenance or restoration work at the Confederate Cemetery. I have inquired of others within the Park and Recreation Department and no one is aware of any notification or request by TDSCV to perform maintenance or restoration work at the Confederate Cemetery. Any maintenance or restoration work at the Confederate Cemetery by TDSCV would have been unauthorized.

I am one of the custodians of records for the City of Dallas Parks and Recreation Department. It was the regular course of business for the City's Parks and Recreation Department for an employee with knowledge of the act, event, or condition to make a record or to transmit

information thereof to be included in such record, and that such records be made at or near the time, or reasonably soon thereafter. The attached and referenced exhibits are true and correct copies of excerpts of the City's records and the above referenced items.

Honorable Mayor and Members of the City Council  
Members of the Cultural Affairs Commission  
TO Members of the Park and Recreation Board  
Members of the Public Art Committee of the Cultural Affairs Commission

SUBJECT Recommendations of the Mayor's Task Force on Confederate Monuments

On August 24, 2017, Mayor Michael S. Rawlings appointed a task force charged with providing recommendations related to the removal and relocation of public Confederate monuments and symbols, and renaming of public places, including parks and streets. The task force received further instructions related to this charge from the City Council through Council Resolution No. 17-1385, approved on September 6, 2017. Specifically, the Task Force was instructed to provide recommendations to the City Council:

1. regarding the costs associated with removal and relocation of public Confederate monuments and symbols and with the renaming of public places, including parks, and streets along with available options for private funding;
2. regarding the process of disposal or relocation of Confederate monuments and symbols if deemed necessary;
3. suggesting additional standards for the naming of public places, including parks, and streets going forward if deemed necessary;
4. suggesting replacements for Confederate monuments and symbols recommended for removal to promote a more welcoming and inclusive Dallas if deemed necessary; and
5. suggesting replacement names for public places, including parks, and streets that also promote a more welcoming and inclusive Dallas if deemed necessary.

The Task Force held five public meetings between August 31, 2017 and September 22, 2017. City staff provided briefings on City processes related to public art, historic preservation and landmarks, park and street naming. Additional briefings were provided on the historical context of Confederate monuments, symbols and names, as well as a presentation by author Joyce King on the historical context of Dallas in the 1890s and 1930s. All briefing materials, handouts and other information presented to the Task Force were immediately published online at [DallasCulture.org/ConfederateMonuments](http://DallasCulture.org/ConfederateMonuments). Additionally, public comments were heard at two meetings of the Task Force, and written comments were received throughout the process and entered into the record of the Task

1. The Task Force recommends that the City of Dallas seek to place the statue of Robert E. Lee designed by Alexander Phimister Proctor, which was recently removed from Oak Lawn Park (formerly Robert E. Lee Park), and the base of said statue, designed by Mark Lemmon and currently remaining in Oak Lawn Park, as well as the Confederate Monument designed by Frank Teich currently located within Pioneer Cemetery, on long-term loan or by donation to a museum, educational institution, or educational site located within North Texas so that they may be preserved and used for educational purposes through display within the full historical context of the Civil War, Reconstruction, 'Lost Cause' mythology, and the 'Jim Crow' era. If the City is unsuccessful in its efforts and the statues remain in storage after three years, the City Council should revisit this issue.

### **Fair Park**

2. Recognizing that Fair Park is a local, state, and national landmark, the Task Force recommends that the historic art and architecture of Fair Park which contains symbols of, or references to, the Confederate States of America or persons associated therewith, remain in place as a piece of the history of Texas as presented at Fair Park. However, the Task Force recommends that appropriate

signage, markers, digital tour guides, public art, educational programming, and/or exhibitions be added as necessary to provide the full context of the Civil War, Reconstruction, "Lost Cause" mythology, the "Jim Crow" era, and the creation of Fair Park for the 1936 Texas Centennial. Historical context should include reference to the many contributions of Mexicans, Tejanos and indigenous peoples made during the colonization of Texas, the Texas Revolution, and during and after the Mexican War leading to the 20th Century, to also include the participation or exclusion of various communities in those historic events.

3. The Task Force further recommends that the City of Dallas Park and Recreation Department and Landmark Commission work with the Dallas Historical Society concerning the foregoing, as well as with the African American Museum and the Public Art Committee in adding a substantive commemoration of the Hall of Negro Life, which was built for the 1936 Texas Centennial, recognition of the "Jim Crow" era and South Dallas bombings, and that the City of Dallas should allocate funding and seek additional private and grant funding for the accomplishment of this work.
4. The Task Force further recommends that attempts be made by the City to return to Dallas, or recreate, the murals which previously occupied the Hall of Negro Life at Fair Park.

#### **Park Names**

5. The Task Force recommends removal of the Robert E. Lee Park name. (The Park Board subsequently approved the name change to Oak Lawn Park on September 22, 2017.)
6. The Task Force recommends removal of the Confederate Cemetery name and requests the Park Board rename it in a proper context.
7. The Task Force recommends that a citywide engagement process be initiated to consider renaming City parks with placeholder names for historical abolitionists, the formerly enslaved, civil and human rights leaders, people from marginalized and underrepresented communities, and victims of police brutality.

#### **Street Names**

8. The Task Force recommends that streets named after a Confederate leader and/or general, who made a significant contribution to the Confederacy, specifically Gano, Lee and Cabell, be changed.

DATE September 29, 2017  
SUBJECT Recommendations of the Mayor's Task Force on Confederate Monuments

9. The Task Force further recommends that the street names Stonewall and Beauregard be changed.
10. The Task Force further recommends that the renaming of these streets be accomplished on a priority basis within 90 days and the comment process be expanded to include the voices of people throughout the city whose ideas and testimony shall be given equal weight with those of adjacent property owners.

### Other Recommendations

11. The Task Force recommends that this process be directed and led by paid local and regional artists, architects, preservationists, and historians.
12. The Task Force recommends that the City erect a marker at Akard and Main streets memorializing the lynching of Allen Brooks.
13. The Task Force recommends that the City of Dallas create a racial equity policy after public acknowledgement and apology for the policies and practices of the City that have furthered institutional racism and segregation.

Much thought and deliberation went into each recommendation submitted. All briefing materials, handouts, and other information presented to the Task Force, as well as video recordings will remain published online for public review at [DallasCulture.org/ConfederateMonuments](http://DallasCulture.org/ConfederateMonuments).

On behalf of the Task Force, I thank you for the opportunity to serve and represent the residents of Dallas on this important matter. Sincere gratitude is also expressed to the dedicated staff from each City department who participated in this process.

**ORDER DENYING PLAINTIFFS' MOTION FOR TEMPORARY  
RESTRAINING ORDER WITH DIRECTION TO DEFENDANTS**

Before the Court is Plaintiffs Richard Brewer, Jean Carol Lane, and the Texas Division Sons of Confederate Veterans, Inc.'s ("Confederate Veterans") (collectively, "Plaintiffs") Motion for Temporary Restraining Order ("TRO"). (Dkt. # 2.) Plaintiffs' motion requests that the Court immediately restrain Defendants—the Mayor of San Antonio, Texas, and ten members of the San Antonio City Council—from removing a Confederate Monument ("the Monument") located in Travis Park in downtown San Antonio. (Id.) A hearing

was held on this matter on August 31, 2017. At the hearing, Plaintiffs were telephonically represented by Kirk David Lyons and in person by James Chapman. Defendants were represented by Deborah Klein.

After careful consideration of the memoranda in support and in Opposition to the motion, and the arguments of counsel at the hearing, the Court, for the reasons that follow, **DENIES** the motion for a TRO **WITH DIRECTION TO DEFENDANTS.**

#### BACKGROUND

The Confederate Veterans is an organization dedicated to preserving the memory of Americans who fought for the Confederacy during the Civil War.<sup>1</sup> (See Dkt. # 1.) According to the Confederate Veteran's website, its membership is limited to male descendants of Confederate Veterans. See <http://www.scv.org/new/>. Defendants are the Mayor and City Council members of the City of San Antonio. (Dkt. # 1 at 1–3.)

According to Plaintiffs, on July 31, 2017, City Councilmen Roberto Trevino and William Shaw filed a memo with the City Council's governance committee to request a full council vote to remove the Monument. (Dkt. # 1 at 5.) Plaintiffs assert that on August 31, 2017, today's date, the City Council will vote on whether to remove the Monument. (Id. at 6.) Plaintiffs represent to the Court

---

<sup>1</sup> Although not clear from Plaintiffs' filings, the individual Plaintiffs are presumably members of the Confederate Veterans. (See Dkts. ## 1, 2.)

that immediately after the vote, the City will remove the Monument. (Dkt. # 2 at 2.) On August 30, 2017, Plaintiffs filed suit against Defendants, alleging federal claims under the First Amendment and for Due Process, as well as state law claims for attempted trespass to land and for breach of an easement. (Dkt. # 1.) Plaintiffs simultaneously filed the instant motion for TRO, asking the Court to immediately restrain Defendants from removing the Monument.<sup>2</sup> (Dkt. # 2.) Defendants filed a response in opposition on August 31, 2017. (Dkt. # 5.)

#### LEGAL STANDARD

Rule 65 of the Federal Rules of Civil Procedure provides that a district court:

may issue a temporary restraining order without written or oral notice to the adverse party or its attorney only if:

- (A) specific facts in an affidavit or verified complaint clearly show that immediate and irreparable injury, loss, or damage will result to the movant before the adverse party can be heard in opposition; and
- (B) the movant's attorney certifies in writing any efforts made to give notice and the reasons why it should not be required.

Fed. R. Civ. P. 65(b).

In order to obtain injunctive relief, including a temporary restraining order, a plaintiff must establish that (1) there is a substantial likelihood that the

---

<sup>2</sup> It should be noted that, as of the date of Plaintiffs' filing of their complaint and motion for TRO, the City Council had not yet voted on the Monument's removal. At the hearing, however, Defendants' counsel informed the Court that the City Council had indeed voted to remove the Monument.

plaintiff will prevail on the merits; (2) there is a substantial threat that irreparable harm will result if the injunction is not granted; (3) the threatened injury to the plaintiff outweighs whatever damage the proposed injunctive relief would cause the defendant; and (4) the granting of the injunction is not adverse to the public interest. Anderson v. Jackson, 556 F.3d 351, 360 (5th Cir. 2009) (quoting Canal Auth. v. Callaway, 489 F.2d 567, 572 (5th Cir. 1974)).

### DISCUSSION

As an initial matter, the Court notes that Plaintiffs have not addressed the issue of standing in this case. Plaintiffs do not discuss this issue in their pleadings or in the instant motion for injunctive relief. (See Dkts. ## 1, 2.) To the extent they may assert standing as city taxpayers, they have not alleged any facts to support suit in that narrowly proscribed capacity. See Flast v. Cohen, 392 U.S. 83, 88 (1968). However, even if Plaintiffs can demonstrate standing, they have not established the elements necessary for the Court's issuance of a TRO. Each of these elements is addressed below.

#### A. Substantial Likelihood of Success

To obtain a preliminary injunction, the movant must first show a substantial likelihood of success on the merits. Lindsay v. City of San Antonio, 821 F.2d 1103, 1107 (5th Cir. 1987). While Plaintiffs have made several state law

claims<sup>3</sup> against Defendants, the crux of their request for a TRO is their claim that removal of the Monument will abridge the political speech of the Monument, thus resulting in a violation of Plaintiffs' free speech rights under the First Amendment. (Dkt. # 2 at 3.) Plaintiffs also make a vague claim for due process. (Dkt. # 1 at 9.)

Plaintiffs' contentions are without merit. The Supreme Court has held that "the placement of a permanent monument in a public park is best viewed as a form of government speech and is therefore not subject to scrutiny under the Free Speech Clause." Pleasant Grove v. City of Summun, 555 U.S. 460, 464 (2009). The Court reasoned that, "[w]hen a government entity arranges for the construction of a monument, it does so because it wishes to convey some thought or instill some feeling in those who see the structure." Id. at 470. Indeed, "[g]overnments have long used monuments to speak to the public." Id. Further, a government entity "is entitled to say what it wishes" and "select the views that it wants to express." Id. at 467–68. "Therefore, the removal of the [M]onument[] is a form of government speech and is exempt from First Amendment scrutiny." Monumental Task Comm., Inc. v. Foxx, 157 F. Supp. 3d 573, 594 (E.D. La. 2016), aff'd 678 F. App'x 250 (5th Cir. 2017). Accordingly, Plaintiffs cannot establish a substantial

---

<sup>3</sup> Plaintiffs have not made any showing, or for that matter, any argument in their motion for TRO, in support of their state law claims. Therefore, Plaintiffs have not established a substantial likelihood of success on the merits of those claims.

likelihood of success on the merits of a claim based on free speech violations under the First Amendment.

Additionally, Plaintiffs have not clearly alleged whether they are asserting a claim for procedural due process or substantive due process from Defendants' removal of the Monument. (See Dkt. # 1 at 9–11.) And, Plaintiffs' motion for TRO does not address their likelihood of success on any due process claim. (See Dkt. # 2.) In any event, the Court finds that Plaintiffs are not likely to succeed on either a procedural or substantive due process claim. Plaintiffs cannot establish that they have any property interest in the Monument, thus failing to establish a substantial likelihood of success on any claim for substantive due process. See Monumental Task Comm., 157 F. Supp. 3d at 597 (determining that volunteer services or donations by organizations towards preserving monuments do not support property interests in the monuments). Likewise, Plaintiffs cannot establish the likelihood of success on any claim for procedural due process, especially where a vote to remove the Monument was held in an open city council meeting. And, as discussed, Plaintiffs cannot establish that they have a property interest in the Monument sufficient to require constitutionally adequate procedural due process. See id. at 598.

Accordingly, Plaintiffs have failed to establish a likelihood of success of any of their claims sufficient to meet the first element of a TRO.<sup>4</sup>

B. Substantial Threat of Irreparable Harm

As to the second element of a preliminary injunction, a plaintiff must demonstrate a substantial threat of irreparable harm if the injunction is not granted. Lindsay, 821 F.2d at 1107. In support of this element, Plaintiffs contend that the removal of the Monument will result in a loss of their First Amendment interests. (Dkt. # 2.) However, as discussed above, the Monument is a form of government speech and is exempt from First Amendment scrutiny. See Monumental Task Comm., 157 F. Supp. 3d at 594. Accordingly, Plaintiffs cannot demonstrate a substantial threat of irreparable harm if the Monument is removed, and this element fails.

C. Balancing of Equities and Service of the Public Interest

The third and fourth elements required for obtaining a preliminary injunction are whether the threatened injury to the movant of not granting the injunction outweighs any harm that may result to the non-movant from granting the injunction, and whether an injunction would harm the public interest. Lindsay, 821 F.2d at 1107. Because Plaintiffs have failed to demonstrate a likelihood of

---

<sup>4</sup> In any case, it does not appear that Plaintiffs have properly alleged a claim against city officials for First Amendment or due process violations; Plaintiffs' complaint fails to seek any relief pursuant to 42 U.S.C. § 1983 or the Fourteenth Amendment. (See Dkt. # 1.)

success, the Court need not weigh the relative harms to the parties or consider the public interest. See Monumental Task Comm., 157 F. Supp. 3d at 594. The last two elements fail. Accordingly, “[b]ecause a preliminary injunction may only be awarded upon a clear showing that the plaintiff is entitled to such relief,” Barber v. Bryant, 860 F.3d 345, 352 (5th Cir. 2017) (internal quotations and citation omitted), the “denial of a preliminary injunction will be upheld where the movant has failed sufficiently to establish *any one* of the four criteria.” Black Fire Fighters Ass’n v. City of Dall., 905 F.2d 63, 65 (5th Cir. 1990) (emphasis in original).

D. Conclusion

Plaintiffs have failed to demonstrate or even allege standing for their claims against Defendants. Even if Plaintiffs have standing, they have not established they are entitled to the extraordinary remedy of a TRO or other injunctive relief. Plaintiffs’ motion is therefore denied.<sup>5</sup>

DIRECTION TO DEFENDANTS

At the hearing, Defendants indicated their intention of removing the Monument in a manner that protects it from damage or from being defaced. The Court hereby **DIRECTS** that, should Defendants or their assigns remove the Monument in question from its present location, that the removal of the Monument

---

<sup>5</sup> At the hearing, Plaintiffs’ counsel announced Plaintiffs’ intent to file an amended complaint in this matter. The Court, however—having only the original complaint before it at this time—is unable to determine whether any defects in Plaintiffs’ pleadings, as noted above, can and will be cured by an amended pleading.

be carried out in such a manner as to preserve the integrity of the Monument; and further, that the Monument be stored in a secure location in order to protect it from damage or from being defaced pending resolution of this lawsuit or further order of this Court.

CONCLUSION

For the foregoing reasons, the Court **DENIES** Plaintiffs' Motion for **TRO, WITH DIRECTION TO DEFENDANTS** as stated above, and for any other injunctive relief other than as specifically noted herein. (Dkt. # 2.)
